U-Judge is a full interactive online showing game where not only are your dogs judged but you can judge and compete against the judge.

When online entries have closed log into the U-Judge site with your normal show manager account to view images of the entrants then place them like you are the judge, do as much or as little as you want, you can do only your breed or the whole show! When the dog wins the dog is award one 'Kudo' for each dog it beats. The more you judge the more kudos the dog can win.

When judging ends all results are instantly live and you can compare your U-Judge result to the Judges result.
