

MUCK'N MAYHEM

WASSA Race 2 - August 8 & 9, 2020
1525 Moondon Road, North Wialki
Evening/morning race

Race Information

North Wialki is located in the central Wheatbelt and is approximately 3.5 hours North East from Perth CBD. The venue's host is the Sprigg family who have generously opened up their homestead to us.

The homestead has limited phone reception so take a chance to enjoy reconnecting with your friends and fellow mushers around the campfire instead. The homestead is on UHF channel 30 if you do need assistance whilst driving. You will be driving on dirt roads as you approach the homestead but do keep in mind loose gravel can break windows, so drive with care.

As this is a rural event (the nearest town is Wialki and is a 15 minute drive but has no shops, closest shops are Beacon approximately a 30 Minute drive, or a 40 minute drive to Mukinbudin), please read the race information pack carefully to ensure you are fully prepared for the journey to the race site, and the event.

When setting up camp, please be mindful that this is a fully functioning farming property, there is livestock and poultry nearby, with every effort made to keep them away from camp and racing tracks.

We ask you to ensure that ALL dogs are contained at all times as per WASSA rules. There are also working dogs on the farm, ensure your dogs do not interrupt them should they be working nearby during the day.

There are prickles on the farmland so please wear shoes and please bring spare tyre tubes for your bikes/scooters!!

Please pick up all dog poo, this is someone's property we need to look after.

Please keep an eye on your fuel and fill up at any one of the mentioned towns.

Travel up the driveway on the RIGHT side of the road to the shed located behind the sheep pens. Please camp in the space near the buildings (**blue dot on map**). The **yellow square** on map is the start chute for the teams; Please DO NOT camp too close here – we recommend teams set up near here. The **red square** on the map is the start chute for all other classes (~100m walk).

Please plan your route into the site, and come prepared with a detailed road map, do not rely solely on the directions and map provided below. These maps are a guide. **Please also note that some phone-based GPS devices will not work.** Check the route before you leave and do not plan to relying on your in car GPS. Drive with a friend, or in a convoy. We will leave signposts out where we can once you get near the race site, and suggest whichever way you come in, to follow them.

Accommodation/Amenities

Accommodation at the Muck'n Mayhem race will be basic bush camping only, with plenty of space available for tents, camper trailers, caravans and RVs. The campsite will be close to the race start/finish chute, so you will not be required to drive between the camp-site and start line.

Toilet facilities are on site. If you have your own portable toilet, you are encouraged to bring and use it so we can maximize the use of these facilities.

There are no water facilities at this event. **You should plan on being entirely self-sufficient for the duration of the event.** Please bring enough for you and your dogs for the weekend.

Camp is open from Friday 7th August.

Refreshments/Catering

Saturday Lunch, Saturday dinner and Sunday breakfast menu options are available to purchase thanks to our amazing hosts. Food is served in the shearing shed. Cash transactions only. Paper/plastic plates and cutlery as well as disposable coffee cups are available but it is greatly appreciated if where possible you can provide your own cups and cutlery.

Please let us know in the Memo section of your race entry if you are wishing to take advantage of the catering available so we can let our hosts know.

NOTE: If you have not pre-booked dinner please let hosts/committee know as early as possible upon arrival to avoid disappointment.

What to bring:

- Plates, cutlery and cups
- Camp chairs
- Money
- Food (for the meals not being catered for)
- Water
- Your own fire pits and firewood (optional) or firewood for the communal fire pit
