## PRESIDENT'S MESSAGE:

Dear exhibitors and beagle enthusiasts,

On behalf of our members. I would like to welcome all exhibitors and beagle enthusiasts to the Beagle Club of Queensland Championship Show for 2020. This is the 26th championship show run by the club and whilst we have all been experiencing difficult times as we continue to thrive through COVID 19 pandemic, I am confident this will be another great show with many excellent examples of the breed on display today.

Firstly, I would like to thank all our exhibitors for the entries you have entered for our show this year. Given the challenge for people to travel and the opportunity to hold championship dog shows at present has been non-existent for some time, I greatly appreciate your efforts in coming out today to support the club and dog showing in general.

We are honoured to have a Hound specialist to officiate at our show, Miss Sarah Wheatley of Queensland. She brings a great deal of knowledge and experience of breeding and showing Hounds & I would like to thank you very much Sarah, for your time, your decisions and for your critique following the show.

Our shows would not be as successful as they are without our great sponsor Show Manager. It is a privilege to have you as a major sponsor for our show once again and we all thank you very much.

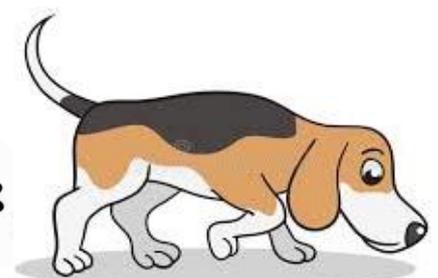

To our writer and Ex- President Susan Tringham, we greatly appreciate the time you have taken to support our club in this way. Also, a big thanks to Trevor Sully, our Show Manager and Ring Steward. Thank you to our friendly and professional photographer, Ruth Cook also, for taking what I know will be a collection of picturesque photos of our show. To make these tasks as easy as possible for all those who are officiating at our show, can I please ask all exhibitors to listen for your numbers, to provide the numbers of any absent dogs to Susan & to follow the directions of the officials today and to ensure you turn up for your photos at the end of the show.

### **This year the show will be run slightly different given COVID 19.**

- All exhibitors are required to wear a mask in the ring especially & throughout the event.
- You will show the judge the dog's dentition yourself.
- Once the Judge is happy to proceed please follow her directions of what she would like you to do next.
- Please ensure that you are mindful of safe distancing at all times
- For our presentation & those that receive Sashes & Prizes today – when you hear your dog's name & owned by – we ask that you come forward & collect your winnings as they will not be handed out as per previous Beagle Club Show Events. This is a directive of Dogs Queensland.
- Unfortunately, we are unable to have a social gathering after the end of the presentation, however there will be cold drinks on offer for all throughout the afternoon. Please come & take them from the esky as you require. Many thanks to Jeff & Desley Souter for providing these refreshments.

Setting up and packing up is always a task that is difficult to do – getting here before the show and then taking the time after a long day to pack up is never easy. Our shows would not be as successful as they are without the dedication of our show subcommittee. Please make sure that during the day, you thank our Trophy Steward, Janine Whittaker for another exceptional trophy table, especially at such short notice. Also, many thanks to all the members of our subcommittee & management for the work they have done leading up to the show, during the day and following. These shows would not be possible without their efforts.

Hope you all have a great day showing & best of luck to you all.  
Colleen Hudson

# Dedication to Mrs Norma Shipley

## “Filnor Beagles”

We take this time to recognise and to commemorate the life of Norma Shipley, a lady who impacted on the lives of hundreds of people, either directly or indirectly, through her love and dedication to our breed.

For over 40 years, Norma Shipley was involved in showing and breeding beagles. While Norma began showing prior to becoming involved in beagles, owning and showing Cocker Spaniels from an early age, her interest soon moved to beagles. After a few years, Norma bred her first litter and commenced a career and a passion for the breed that would last over four decades.

From a breeding and showing perspective, Norma had an ability to know which dogs to combine to produce outstanding examples of beagles. Through the late 80s and into the 90s and the 2000s, Filnor beagles was one of the most successful kennels in Australia, with Filnor Beagles holding the record for the most Award of Merit recipients from any kennel. Her breeding took out the 4<sup>th</sup> Beagle National in 1998 and was awarded numerous Best In Shows at beagle championship shows around Australia, as well as Best of Breed at Royal shows in many states.

Norma had an extremely generous nature to her. Many people were given guidance by Norma in our breed and were provided support in establishing their kennels, Norma shared her knowledge around which dogs to put over which bitches. Filnor beagles played a direct role in the establishment of other kennels, including Kijuna, Brevari, Reesedale, Ceugant, Ninderry, Culorgair, Brialey, Hebridean, Treeview and Chaemerdon. Many other kennels have beagles that can be traced back to Norma's breeding.

Norma was also was a very good friend to many people. There are years of great memories that a lot of people have, of trips away with Norma, of camping weekends, of showing and drinking copious amounts of wine, champagne, cocktails and Glayva. Many nights were spent around campfires with Norma, talking about our beagles. Many weekends were spent with Norma, around temporary fencing with dozens of beagles inside, enjoying her company and having her boss us around with getting the dogs ready for showing.

I do not think Norma ever fully appreciated the happiness that she has brought to hundreds of people all over the world, through the beagles they received from them or from the advice and support she has given. While there numbers are diminishing with time, there are many beagles here today, who would not be here, had it not been for a Filnor beagle being their mother or father, their grandparent or great grandparent or great great grandparents, - you get the picture. Their owners, whose lives were impacted through their live for those beagles that are here today, will forever be influenced in some way by Norma.

On the 13<sup>th</sup> of June, a large pack of naughty, beautiful beagles met at the rainbow bridge, to give many licks and cuddles to Norma.
