A message from the Chairman

As chair of the Public Relations Committee for the third year, I would like to thank all of the members for your ongoing support, especially the breed clubs which are at a staggering 50 in total and an excellent entry of 764.

The success of these events rely heavily on the support of the members as well as the attendance of the general public. The committee this year have endeavoured to increase public attendance by doing different doggy demonstrations and giving away more branded freebies, we have also increased the distribution of the flyers, whilst concentrating our advertising on Facebook, Instagram and Google and so far this has just reached over 305,000 people.

The committee have been hard at work attending other doggy events to ensure that the public are aware of DOGS NSW and what we do, once again members that aren't on our committee volunteer their time, of particular mention are Jackie Brassil and Tracie Buckley, we greatly appreciate their dedication and time in assisting us. There are three people whose guidance and assistance has been invaluable to the success of the event Christine Stani, Jo Comber and Greg Lamb, our committee are extremely grateful and appreciative of everything you have done.

We hope that you all have a wonderful day today and remind you all that this event is for the public and any time you spend talking with them benefits us all.

Once again, this year the PR Committee wishes to acknowledge & present badges to the 50 year membership's, & acknowledge the 25 year membership's, please join me in congratulating the following members:

KERRIE REEDER

When I sat down to write this, I found that it was the hardest thing I have ever had to do in my life.

Then I started to think about my beautiful, smart, funny, witty, very clever, articulate, creative, proud, loving, kind, humble, a perfect lady, mentor to many and so generous twin sister Kerrie.

Although a reflection of myself Kerrie (affectionately known as Kate) she was indeed an individual.

A perfectionist, being the eldest of 4 children of the late Yvonne and Ron Reeder. Kerrie was most definitely the smartest of us all.

Kerrie was born along with me in Canterbury Hospital and grew up in Rydalmere spending the majority of her life in the Hawkesbury. I could go on with all those facts about her, but I am sure you know them I would rather talk about Kerrie herself. Her passion for family, life, her professional life, the Dog World, world affairs, and travel.

Professionally Kerrie was an outstanding operator. Kerrie owned her own successful marketing strategy business for many years. Those who have worked alongside Kerrie know the accomplishments she made in her work roles.

Her passion and commitment to the dog world is legendary. She worked in a voluntary capacity with the RAS Kennel Control and then Dogs NSW for 40 years plus, serving on many committees such as PR and Finance, working alongside such people as Dr HR Spira giving her time freely in organising the Spring Fair Dinner, lectures and seminars for Rick Beauchamp when the Bichon Frise was introduced to Australia, the Australian breeds in the Dog World's heyday. Cataloguing the North of the Harbour KC show single handily with an entry of 5,000 dogs.

She was the President SBTS of NSW Inc for 15 years she applied the same creative and strategic passion to her beloved breed the Stafford and the Society. She first became the Secretary at the age of 18 and was the planner behind all of the club's successes which many followed and set benchmarks.

Her love and passion for animals apart from dogs, her favourite animal being Giraffes, is noteworthy.

Kerrie's knowledge and commitment to judging all breeds of dogs internationally was impeccable and she mentored many judges around the world.

Her international judging assignments would be the envy of us all. Her love for the dogs and their purpose was paramount to her. But she would also be most concerned about the welfare of the dog and the exhibitor.

Kerrie's love for her family was paramount, not having children of her own, being the Aunty to her sibling's children, she did everything possible for them. She was generous to a fault. She loved kids as she did animals. Kerrie had the most dry sense of humour finding the funny side of everything.

Her passion for travel was shown in our travels around the world dog judging as well as her many business trips. Kerrie and I would also book side trips. Kerrie loved art, architecture, history and we visited many of the world's landmarks and historical sites. The adventures we had, the fun and the people we met along the way would make for a book on it's own. Memories treasured forever.

Words can not explain how I will miss you my beautiful sister and friend until we meet again.

Kim Reeder

Responding to Activists

STEPS FOR HANDLING CONFRONTATION AT AN EXHIBITION OR EVENT

Proudly show our practices are best practice	Regardless of the risk of confrontation, every exhibitor should proudly uphold the standards expected of us loving dog owners and members of DOGS NSW and present our dogs and ourselves positively.
Advise the show or trial manager. Call 000 if needed.	Advise the event manager if you believe activists are present and they will advise the local police. If activists create a disruption or confrontation, call 000 immediately. If you call 000, clearly articulate the risk that the activists are posing: to yourself and others, the dogs' welfare, personal and venue property, etc
Do not engage	Do not engage directly. Keep calm, even if provoked and keep your distance, if possible.
Ask them to leave	If activists enter the area you are using to house your dogs, speak with them politely to ask them to leave. Acknowledge their right to state their opinions in a lawful manner, but ask that they respect your right to continue to look after your dogs' welfare in a safe manner without distress. Ask them to please leave the area and move to a space away from the dogs. They may not respond to the request, but it will make it clear they do not have permission to be there. Do not engage with them further.
Move yourself and your dogs to a safer position	Your safety and welfare, and that of your dogs comes first. If activists won't leave, relocate to an area that is safer for you and your dogs.
Create a record	Video footage and photos taken on your phone of the above can be used by police. If there has been damage to property record the details and, if possible, wait until police have examined the scene before touching anything. Please always consider the safety of yourself and dogs, when confronted with activists.
